Ricoh Ink: The Perfect Choice for Your Printing Needs

Ricoh Ink is a high-quality ink product designed specifically for use with Ricoh Ink Printers. It is the perfect choice for those looking for a neutral ink that delivers exceptional results.

Suitable Printhead: Ricoh GH2220

Ricoh Ink is specially designed to work seamlessly with the Ricoh GH2220 printhead. This combination ensures that your prints come out with crisp, vibrant colors and sharp lines.

Neutral Property for Versatility

Ricoh Ink is a neutral ink, making it suitable for a wide range of printing projects. Whether you're printing text, graphics, or photos, Ricoh Ink will deliver consistent, high-quality results.

Available in 1L Bottles for Convenience

Ricoh Ink is available in 1L bottles, providing you with an ample supply for your printing needs. This larger volume also means fewer trips to restock, making it a convenient choice for busy individuals and businesses.

Long Storage Life for Peace of Mind

With a storage life of 1 year, you can be assured that your Ricoh Ink will remain usable and effective for a long time. This allows you to stock up on ink without worrying about it expiring or losing its quality.

Perfect for Various Applications

Ricoh Ink is suitable for a wide range of printing applications, including mobile phone cases, acrylic signs, ceramic tiles, and glass. This versatility makes it a valuable addition to any printing arsenal.

Upgrade to Ricoh Ink Printers for Optimal Performance

To fully experience the benefits of Ricoh Ink, consider upgrading to a Ricoh Ink Printer. By using Ricoh Ink in combination with a Ricoh printer, you can achieve the best possible results for all your printing projects.

Choose Ricoh Ink for high-quality, versatile, and long-lasting printing results. Upgrade to a Ricoh Ink Printer today and take your printing to the next level.
